Dear Fellow Performance Enthusiast,

We at Faith Assembly of God are passionate about the youth of our community. We believe that in order to produce productive citizens that will create a better world for us all, the youth must be nurtured by those who have beneficial knowledge and life lessons to pass on as to avoid repeating the mistakes of generations past. It has been said that music is the universal language, but we would disagree and say that the universal thread that binds us all is passion.

It is our wish to bring together people young and young at heart through a shared passion of high performance automobiles and motorcycles of all kinds in a large car show/festival on our church grounds. Our vision is a large Fast and Furious or NOPI nationals style show re-imagined in a family friendly atmosphere. We plan to have games, face painting and bounce houses for the children, food trucks and local Christian performers sharing the positive message of the Good News. We would like to invite you and others like you who have time and a desire to share their life experience with young people to inspire/encourage them to succeed in their chosen path. Whether you are currently active in a church or not is not a barrier to us in our mission. We are welcoming all to show their cars and love of life with the community at large. Our main goal is to start an old-fashioned dialogue of face to face interaction among people in an age where young people mainly communicate via acronyms and emojis. We want to encourage people to find their power from within in effect conquering fear and prejudice of all kinds by life experience and not through what has been told to them through the media or online forums.

If you or someone you know is interested in being a vendor or showing a car(s) for this event, please contact: **Charles A. McRant at 336-455-0114** or **Youth Pastor Joseph Ferreira at 704-299-5128** for more information.

Vendors should register no later than March 15 to reserve a space.

Vendors will not be charged for the space, rather we are asking that 10% of any proceeds be donated to the Faith Assembly Youth Ministry.

Setup for Vendors, Cars and/or displays begins at 8 am.
Be blessed in all your travels and thank you for your time.
